

Tee times for troops

Tee times for troops is an outreach initiative from Active Stirling offering veterans of the Armed Forces the opportunity to **play golf for FREE** in the Forth Valley area.

In partnership with Active Stirling eight local clubs are donating **FREE tee off times** to veterans at a range of different days and times. Veterans can enjoy a round of golf while its social and physical benefits will support their journey back to everyday life.

To book your tee off time, please contact the club directly stating **'Tee times for troops'** and the club will provide information on the days and times available.

If you are looking for someone to play on your round, please let the club know and they will try to pair you with a buddy!
